**Description of Scholarships**

Scholarships will be granted to full-time undergraduate or graduate students majoring in either engineering or business administration at a public state university or college.

The amount of the scholarship will be equal to the total annual tuition charge, not including fees, for a student classified by the institution involved as a state resident. That amount will also be awarded to a student classified as a state non-resident.

The scholarships are renewable and are awarded on the basis of academic merit and need.
